

**JIHAD T. ABBAS, M.D., FACS, FACCWS, RPVI**  
**Clinical Associate Professor of Surgery**  
**ProMedica Jobst Vascular Institute**

---

**Office Address:** ProMedica Jobst Vascular Institute  
2109 Hughes Drive, Suite 400  
Toledo, Ohio 43606

*Phone:* (419) 291-2003  
*Fax:* (419) 479-6977  
*Email:* Jihad.AbbasMD@ProMedica.org

**Home Address:** 2292 Big Hickory Run  
Sylvania, Ohio 43560

*Phone:* (419) 704-6723

**Date of Birth:** June 7, 1967

**Citizenship:** United States

**Languages Spoken:** English, Arabic, French

**Family:** Wife: Kimberly Abbas, RD  
Children: Hassan, Kassem, Fuad

---

**Education and Training**

09/85-07/88 B.S., Mathematics  
American University of Beirut, Lebanon

09/88-06/92 M.D.  
American University of Beirut, Lebanon

**Postgraduate Training**

07/92-06/93 Internship, General Surgery  
New York University Medical Center/Bellevue Hospital New  
York, New York

07/93-06/94 Residency, General Surgery  
New York University Medical Center/Bellevue Hospital New  
York, New York

07/94-06/97 Residency, General Surgery  
Medical College of Georgia Hospital and Clinics  
Augusta, Georgia

## **Postgraduate Training**

- 07/97-06/98 Chief Resident, General Surgery  
Medical College of Georgia Hospital and Clinics  
Augusta, Georgia
- 07/98-06/00 Fellowship, Vascular Surgery  
Baylor College of Medicine  
Houston, Texas  
(included rotations in Noninvasive Peripheral Vascular Lab and  
Endovascular with Interventional Radiology)

## **Employment**

### *Academic Appointments:*

- July 2000-2011: Assistant Professor, Department of Surgery  
Division of Vascular and Endovascular Surgery The  
University of Toledo College of Medicine
- July 2011-2015: Associate Professor, Department of Surgery  
Division of Vascular and Endovascular Surgery The  
University of Toledo College of Medicine
- February 2012-2015: Associate Director of Wound Care and Hyperbaric Center The  
University of Toledo Medical Center
- July 2013-2015: Medical Director Non Invasive Vascular Laboratory  
Mercy Memorial Hospital
- July 2013-2015: Co-Medical Director Cardiac Catheterization Peripheral Vascular  
Laboratory – Mercy Memorial Hospital
- 2014-2015: Head of Clinical Competency Committee for General Surgery Residency  
Department of Surgery-The University of Toledo College of Medicine
- July 2015-2020: Head of Clinical Competency Committee of Vascular Surgery Fellowship Jobst  
Vascular Institute-Promedica Health Care System
- January 2020-present: Head of PEC Vascular Surgery Fellowship  
Jobst Vascular Institute-Promedica Health Care System
- July 2015-present: Co-Medical Director of Wound Care Division  
Jobst Vascular Institute-Promedica Health Care System

- July 2015-present: Clinical Associate Professor Department of Surgery  
The University of Toledo College of Medicine
- July 2015-present: Associate PD of Vascular Surgery Fellowship  
Jobst Vascular Institute-Promedica Health Care System
- January 2020-present: Medical Director of Hyperbaric Oxygen Department Jobst  
Vascular Institute-Promedica Health Care System
- January 2020-present: Medical Director of Education for Residents and Students Jobst  
Vascular Institute-Promedica Health Care System
- January 2020-present: Director of Cadaver Workshop  
Jobst Vascular Institute-Promedica Health Care System The  
University of Toledo College of Medicine
- 2019-2020: Member of Medical Student Committee  
Midwestern Vascular Surgery Society
- 2019- present: Member of Education Committee  
Midwestern Vascular Surgery Society

*Medical Staff Appointments:*

- 2000-present The University of Toledo Medical Center  
Toledo, Ohio
- 2000-present St. Vincent Mercy Medical Center  
Toledo, Ohio
- 2001-present St. Luke's Hospital  
Maumee, Ohio
- 2001-present Bellevue Hospital  
Bellevue, Ohio
- 2001-present Wood County Hospital  
Bowling Green, Ohio
- 2001-present Mercy Memorial Hospital  
Monroe, Michigan
- 2002-present Bay Park Community Hospital  
Oregon, Ohio
- 2002-present St. Charles Mercy Hospital  
Oregon, Ohio
- 2003-present St. Anne Mercy Hospital  
Toledo, Ohio
- 2007-present Toledo Hospital  
Toledo, Ohio

2007-present	Flower Hospital Sylvania, Ohio
2009-present	Fremont Memorial Hospital Fremont, Ohio
2015-present	ProMedica Jobst Vascular Surgeon ProMedica Physicians Group Sylvania, Ohio
2015-present	ProMedica Wound Care Center Toledo, Ohio

### **Certifications and Licensures**

#### *Certifications:*

ECFMG # 0-452-844-4  
Board Certified, General Surgery, 4/1/2003, #48063 Board  
Certified, Vascular Surgery, 5-23-2006, #101626  
Diplomate of the American Board of Wound Medicine & Surgery, 07/2016  
Abdominal Aortic Aneurysm endograft placement, by Ancure and AneuRX  
Advanced Trauma Life Support, 9/7/2002  
Integra Skin Graft, Johnson & Johnson, 10/9/2002  
Hyperbaric Oxygen Training and Certification 1/13/2012

#### *Licensures:*

Ohio State License # 35-07-8281-A Michigan  
State License # 4301077410 Illinois State  
License # 036-100873 Inactive

### **Professional Societies and Activities**

Fellow: American College of Surgeons  
Fellow: American College of Clinical Wound Specialists  
Fellow: Society of Vascular Surgery  
Member: Ohio Chapter, American College of Surgeons  
  
Member: American Medical Association  
Member: Arab American Medical Association  
Member: Southeastern Surgical Congress  
Member: International Society for Vascular Surgery  
Member: American College of Surgeons Professional Association  
Member: The Toledo Surgical Society  
Member: Michael E. DeBakey International Surgical Society  
Member: Midwestern Vascular Surgical Society

### **Service on Institutional Committees(Past & Current)**

#### *The University of Toledo Medical Center(Past):*

Member: Mortality and Morbidity Assessment Committee  
Member: Medical Records Committee  
Member: Cardiovascular Institute Task Force  
Member: Peer Review Committee  
Member: Governance Committee  
Member: Infection Control Committee

#### *Promedica Health Care System(current):*

Member: Professional Liability Claim Committee  
Member: PPG Quality and Peer Performance Committee  
Member: Jobst Wound Care Limb Preservation Board  
Member: Jobst Vascular Medicine Fellowship Steering Committee

### **Areas of Expertise**

Work-up of vascular pathology  
Lower extremity bypass Wound care  
Abdominal aortic aneurysm repair, open and endovascular procedures  
Thoracoabdominal aortic aneurysm repair  
Carotid artery surgeries  
Hemodialysis access surgeries  
Venous surgeries  
Angiography and angioplasty of peripheral vessels  
Reading vascular ultrasound and studies

---

## Research Support and/or Training Grants

TOLEDO thrombolysis study: Catheter Directed intrathrombus thrombolysis with urokinase versus anticoagulation alone for Acute iliofemoral thrombosis, \$135,000, **Sub-investigator**

VASCA Life site catheters: Comparison of the Life Site Hemodialysis Access System to the HemoSpilt Long term Hemodialysis Catheter in Patients Requiring Dialysis. \$50,000, **Sub-Investigator**

CUBICIN for Complicated Post-Surgical Wound Infections. \$30,000, **Sub-Investigator**.

CAROTID Revascularization Endarterectomy vs.Stenting (**CREST**). \$113,5000.00, **Sub-Investigator**

A PHASE II DOUBLE BLIND, Randomized, Placebo-Controlled study to Assess the Safety and Efficacy of AMG0001 to Improve Peripheral Vascular Disease. \$148,000.00, **Sub-Investigator**

An IDE for high risk carotid artery stenting: Cases study, \$50.000, **Sub-Investigator**.

Carotid Stenting in High risk Patients (VIVA) study, **Sub-Investigator**

A dose Ranging Trial for the Evaluation of the Safety, Tolerability and Efficacy of Odiparcil in Prevention of Venous Thromboembolism Following Total Knee Replacement Surgery, \$635,000(TOPVENT), **Sub-Investigator**

Phase 3, multicenter, Multi-National, Randomized, Double-Blind, Placebo-Controlled Study to evaluate Efficacy and safety of Alfimeprase in subjects with acute Peripherel Arterial Occlusion (NAPA-3) (HA007), **Sub-Investigator**

Follow up Study on Retrievable Tulip Filter, **Principal Investigator**

A double blind, placebo controlled, randomized dose response trial to investigate the efficacy of Juvista in the improvement of scar appearance when applied to the approximated wound margins following bilateral varicose vein removal, **Sub-Investigator**

A Prospective, Randomized, Multi-Center, Two Arm Study to Evaluate the Safety and Effectiveness of the Vascular Sealant System Compared With Gelfoam/Thrombin for Control of Anastomosis Suture Line Bleeding in Patients Undergoing Vascular Reconstructive surgery with PTFE Grafts, **Sub- Investigator** Confluent Surgical

Stenting and Angioplasty with Protection in patients at High Risk for Endarterectomy, **Sub-Investigator** Sapphire WW, Sponsor Cordis

Evaluation of FM220 in Patients with Peripheral Arterial Disease, **Sub- Investigator** FlowMedic

A Randomized, Single Blind Trial to Assess the Effectiveness of Maintaining Patency and Safety of the Vascular Wrap TM Paclitaxel eluting Mesh after Surgical Implantation with the LifeSpan ePTFE Vascular Graft in the upper Extremity for Hemodialysis Access, **Sub- Investigator** AngioTech

A Multicenter, Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Safety and Efficacy of SCH 530348 in Addition to Standard of Care in Subjects with a History of Atherosclerotic Disease: Thrombin Receptor Antagonist in Secondary Prevention of Atherothrombotic Ischemic Events, **Sub- Investigator**

ViVEXX<sup>TM</sup> Carotid Revascularization Trial (VIVA) for High Surgical Risk Patients with Extracranial Carotid Artery Stenosis using the Bard® BareWire<sup>TM</sup> Rapid Exchange Embolic Protection System, **Sub-Investigator**

A Post-Approval Study of the Guidant Carotid Stent Systems and Embolic Protection Systems (Carotid RX ACCULINK/RX ACCUNET Post- Approval Trial to Uncover Unanticipated or Rare Events – “CAPTURE 2”, **Sub-Investigator**

Is treating all pressure wound patients with vitamins A, C, Zinc and Arginine Justified? **Sub-Investigator**

Use of Hyaluronic Acid Based Biological Bilaminar Matrix in Wound Healing, A Prospective Randomized Controlled Study, **Sub-Investigator**

Patient outcomes following use of FLEX Catheter, **Sub-Investigator**

(UltraFlex-AV) Ultrasound Imaging of FLEX VP Treatment for Dialysis Access Stenosis: An Independent Sub-Study of the FLEX-AV Registry, **Sub-Investigator**

The effect of healthcare rationing on delivery and outcomes of vascular surgery care, **Sub-Investigator**

Vascular Surgery Practice during the Early Phase of the COVID-19 Pandemic, **Sub-Investigator**

Variability in care delivery among patients with leg ulcers, **Principal Investigator**

The effectiveness of compression when based off of levels of compression that are comfortable for the patient versus 30-40 mm Hg of compression in the treatment of venous ulcers, **Sub- Investigator**

Outcomes of sclerotherapy of the ulcer bed compared to a combination of ablation and injections, **Principal Investigator**

JET-ISR, JetStream Atherectomy, Treatment of In-stent Restenosis of the Femoropopliteal Artery,  
Midwest Cardiology Research Foundation

Paraxel VLU, Prospective, Multi-Center, Double-Blind, Randomized, Placebo-Controlled Trial,  
Comparing two Doses of VF001-DP to Placebo as an Adjunct to Standard Care in Patients with Chronic  
Venous Leg Ulcers
